

- A host of new features means navigating your way around Vapormatic online becomes a whole lot easier.
- More options for your part search right from the home page.
- Easy transition between various languages and local websites.

- A brand new parts navigation bar makes it easy to find the exact part you are looking for from a variety of different categories.
- Enhanced and intuitive product structure means you find parts in a logical place reducing search time and making browsing the website easier.

- A new look homepage means a more enjoyable browsing experience for our customers.
- Expect to see regularly updated product information, catalogue news, new product launches and important information displayed in the forefront of our website, without the need for customers to have to search for this information.
