## New Alternators & Starter Motors

Vapormatic is pleased to announce a new range of alternators & starter motors from Iskra & Jubana in the electric components category. This portfolio update reflects extensive market research to meet with today's modern equipment.

Both Iskra and Jubana provide high quality starter motors with high reliability and long-life operation. For further information on efficient gear reduction starter motors from Jubana, please see bulletin 1344 [here](#).

Highlighted in the table below are the brand and series of new tractor applications which can be found listed in detail on the Vapormatic website: [www.vapormatic.com](http://www.vapormatic.com)
