Bondloc Liquid Accessories Range

Vapormatic is pleased to introduce a new liquid accessories range to replace existing part numbers. The NEW Bondloc range is manufactured in the UK, to ISO 9001 standard. Bondloc offers a diverse range of quality products to cater for the most demanding bonding, sealing and assembly applications. For more information on specific products and part number substitutions and cross references please see below or visit www.vapormatic.com

Thinking of running your own Bondloc promotion? A Bondloc branded point of sale stand is also available complete with recommended range of popular Bondloc product. Please [click here](#) for more information.

Part Number	Description	Product Image	Previous Part number
VLB4337	<p>Food safe lubricant (500ml)</p> <p>VLB4337 is a food grade mineral oil-based lubricant, designed to lubricate, release and protect a wide range of parts in food related and food processing environments. Can be used on chains, slides, gears and linkages etc. VLB4337 is highly recommended for use in all food plants, dairies, canneries and breweries.</p> <ul style="list-style-type: none"> Free from animal derivatives Non-Toxic formulation Silicone free Odourless, colourless and non-staining Resists & Prevents corrosion Anti-throw properties for moving chains Penetrates cable cores Use on chains, slides, gears and linkages CFC Free Easy Straw allows wide and precise spray 360° valve allows use upright or upside-down application <p><i>Bondloc reference: B7779</i></p>		NEW
VLB4338	<p>Carb & Choke Aerosol Cleaner (500ml)</p> <p>A powerful, blended solvent degreaser, designed primarily to clean deposits from induction system components. For the removal of oil, grease and gum deposits from metallic components utilized in carburettors and fuel injection systems, carburettor bodies, air control valves, throttle bodies, air intake butterfly valves.</p> <ul style="list-style-type: none"> Dissolves all conventional automotive oil and grease deposits. Safe for use in conjunction with oxygen sensors and catalytic converters Rapidly softens and removes fuel deposits Helps restore engine performance. Quick Drying & Fast Acting 360° rotational valve Acetone, Silicone & Chlorinated Solvent-Free <p><i>Bondloc reference: B7783</i></p>		NEW

<p>VLB4341</p>	<p>High Temperature Retainer (10ml)</p> <p>High strength/temperature retainer for close fitting cylindrical parts. Prevents loosening from shock and vibration. Suitable for pump housing sleeves and transmission bearings. Temperature resistant up to 230°C. Colour: Green</p> <p><i>Bondloc reference: B620</i></p>		<p>NEW</p>
<p>VLB4342</p>	<p>High Temperature Retainer (10ml)</p> <p>Retains most cylindrical slip and press fit parts. Replaces mechanical fixing methods such as keys, grub screws and interference fitting. Seals out moisture and corrosion. Resistant up to 180°C. Colour: Green.</p> <p><i>Bondloc reference: B648</i></p>		<p>NEW</p>
<p>VLB4343</p>	<p>High Strength Thread Locker (10ml)</p> <p>Prevent loosening due to vibration, can be used on various thread types. High viscosity, thixotropic working on all metals, including passive substrates such as stainless steel, aluminum and plated surfaces.</p> <p>Loosen and disassembled by heating to 300°C. Can be used with UV light to monitor changes due to fluorescing additive.</p> <p><i>Bondloc reference: B275</i></p>		<p>NEW</p>
<p>VLB4333</p>	<p>Bright Zinc Galvanizing Spray (500ml)</p> <p>Zinc/aluminium based coating designed for anti-corrosive and decorative applications on galvanized steel, steel, iron, aluminium, welds and most other metals. Contains high purity of powdered Zinc Metal (99%) and Aluminium flake for excellent electrochemical protection.</p> <ul style="list-style-type: none"> • Provides a bright, decorative and long lasting anti-corrosive finish • Dried coat contains ~60% metal content • Excellent adhesion to cleaned, prepared metallic surfaces • Excellent flexibility • Quick drying, no secondary curing required • Suitable for exterior applications • Excellent resistance to salt spray and weathering • Suitable for welding through <p><i>Bondloc reference: B7771BZ</i></p>		<p>VLB4261</p>

<p>VLB4334</p>	<p>Maintenance Spray Aerosol (500ml)</p> <p>Multi-purpose maintenance spray with premium lubricating, dewatering, cleaning, penetrating and corrosion inhibition properties.</p> <p>Supplied in a 360 degree rotational can which includes the permanently attached "East Straw" for ease of use and convenience.</p> <p>VLB4334 can be used on all ferrous metals for the removal and freeing of seized/corroded nuts and bolts, hinges, locks, tools and fittings.</p> <ul style="list-style-type: none"> • Long lasting lubrication • Moisture displacement • Leaves a protective film to guard against corrosion • Low viscosity for maximum penetration • Easy to apply and works quickly • Contains PTFE for increased lubrication and load bearing resistance • Enhanced operating temperature range <p><i>Bondloc reference: B7740</i></p>		<p>VLB4249</p>
<p>VLB4335</p>	<p>Dry Lube Chain & Cable Aerosol (Size 500ml)</p> <p>A dry grease-based lubricant enhanced with PTFE with strong adhesive properties designed for application to chains and cables. It applies wet enabling penetration into links before thickening and drying. Primarily designed for use on industrial chains and cables but can be used on cycle chains and all moving metal parts.</p> <ul style="list-style-type: none"> • High PTFE content for reduced drag and high lubricity • Anti-corrosive additives for superior metal protection • Highly water resistant • Long lasting • Penetrates and thickens • Anti-fling formula <p><i>Bondloc reference: B7785</i></p>		<p>VLB4265</p>
<p>VLB4336</p>	<p>Brake & Clutch Aerosol Degreaser (600ml)</p> <p>A fast drying, highly volatile, solvent based heavy duty degreaser designed to remove dust, greases and oils from brakes, clutches and industrial metal parts and surfaces.</p> <ul style="list-style-type: none"> • Dissolves all greases and dirt • Quick Drying & Fast Acting • No Rinse Formula • 360° rotational valve • Eliminates brake squeal • Removes lining dust from brakes • Non-conductive • Acetone, Silicone & Chlorinated Solvent-Free <p><i>Bondloc reference: B7769</i></p>		<p>VLB4259</p>

VZZ9056 Bondloc Point of Sale Stand with Product

Available without product (VZZ9057)

Bondloc branded point of sale stand supplied with a recommended comprehensive range of popular Bondloc product. Product supplied with this point of sale stand:

Part Number	Product Name	Quantity
VLB4271	Plastic & rubber superglue	10G x 6
VLB4282	Superglue	5G x 6
VLB4268	Stud lock	25ml x 6
VLB4284	Stud lock	50ml x 6
VLB4296	Flexible gasket	50m x 6
VLB4272	Gasket sealant	75ml x 6
VLB4274	Instant gasket sealant	50ml x 6
VLB4276	RTV acetoxty gasket silicone	x 6
VLB4287	Steel stick epoxy putty	50G x 6
VLB4295	Clear rapid epoxy	28ml x 6
VLB4275	Thread sealant	25ml x 6
VLB4270	Heavy duty radiator sealer	x 6
VLB4335	Dry Lube Chain & Cable	x 18
VLB4333	Bright Zinc Galv Spray	x 18
VLB4336	Brake & Clutch	x 18
VLB4334	Maintenance Spray	x 18

All Vapormatic quality replacement parts carry an industry leading **12-month parts and labour warranty**. For further information on specific items please visit www.vapormatic.com
